Re: Comments of L.M. Communications of Kentucky, LLC, and
Gateway Radio Works, Inc.;
MB Docket No. 05-248;
RM-11262

Dear Ms. Dortch:

Transmitted herewith on behalf of L.M. Communications of Kentucky, LLC and Gateway Radio Works, Inc. are an original and four copies of Comments issued in response to the Notice of Proposed Rule Making and Order to Show Cause, DA 05-2219, released July 29, 2005, in connection with the above-referenced proceeding.

Please contact the undersigned counsel if there are any questions.

Very truly yours,

Christopher J. Sova

COMMENTS

L.M. Communications of Kentucky, LLC ("LMC"), the licensee of WBTF(FM), Midway, Kentucky, joined by Gateway Radio Works, Inc. ("Gateway"), licensee of Station WKCA(FM), Owingsville, Kentucky (jointly, "Petitioners"), by their attorneys, hereby file comments in support of the Media Bureau's proposed substitution of Channel 298C3 for Channel 300A at Midway, Kentucky; substitution of Channel 295A for 299A at a new site at Owingsville, Kentucky; and substitution of Channel 300A for Channel 298A at Falmouth, Kentucky, along with the requisite modifications of the licenses of WBTF, WKCA and WIOK(FM), respectively, as set forth in the above-captioned Notice of Proposed Rulemaking, DA 05-2219, released July 29, 2005 (the "NPRM").

On April 26, 2005, Petitioners filed a Petition for Rulemaking (the "Petition") requesting that the FM Table of Allotments be amended as follows:

- (a) to substitute Channel 298C3 for Channel 300A at Midway, Kentucky, with new reference coordinates located at 38-6-25 North Latitude and 84-33-19 West Longitude, and modify the license of Station WBTF accordingly;
- (b) to substitute Channel 300A for Channel 298A at Falmouth, Kentucky, and modify the license of Hammond Broadcasting, Inc. for Station WIOK accordingly; and
- (c) to substitute Channel 295A for Channel 299A at Owingsville, Kentucky, with new reference coordinates located at 38-8-34 North Latitude and 83-36-18 West Longitude, and modify the license of Station WKCA accordingly.

Petitioners demonstrated in the Petition that the proposed changes may be implemented in compliance with the Commission's technical rules and were in the public interest. Petitioners respectfully request that their Petition be incorporated by reference herein. Petitioners note that the NPRM at Paragraph 2 incorrectly lists the current channel for WIOK as 299A instead of 298A.

Petitioners hereby state that at such time as the Petition is granted, they will file applications to modify the facilities of WBTF and WKCA accordingly and will promptly construct the facilities proposed in the Petition after it is granted. In addition, LMC hereby reaffirms its agreement to pay the reasonable expenses incurred by Hammond Broadcasting, Inc. in connection with the channel change for station WIOK, Falmouth, KY (FCC Facility ID No. 1298) proposed in the Petition.

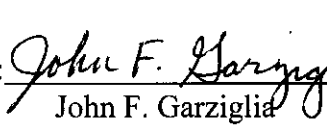

Respectfully submitted,

L.M. COMMUNICATIONS OF KENTUCKY,
LLC
